Section to be completed BEFORE THE MOBILITY

I. PROPOSED MOBILITY PROGRAMME

Language of training: English

Overall objectives of the mobility:

This event aims to provide an exchange of knowledge, ideas and best practices from participants coming from different universities about international strategies.

Added value of the mobility (in the context of the modernisation and internationalisation strategies of the institutions involved):

The participation in this meeting could help to strengthen the relationship between the two universities already linked thanks to a specific agreement.

It can be the occasion to share different experiences in the field of international strategies and projects that our university developed with other partners around the world.

Activities to be carried out:

To participate in the International administrative staff training week at the IUAV University.

**Expected outcomes and impact (e.g. on the professional development of the staff member and on both institutions):**

From this meeting it is expected to share experiences and best practices that can help to solve administration problems and to improve the incoming and outgoing mobility’s procedure in general. It could be the occasion to create new links and new collaboration opportunities for joint works.

The meeting could also offer the possibility to increase the exchanges between undergraduate and graduate students from both institutions and the number of professors doing seminars and conferences or developing joint research programs.

**II. COMMITMENT OF THE THREE PARTIES**

By signing this document, the staff member, the sending institution and the receiving institution/enterprise confirm that they approve the proposed mobility agreement.

The sending higher education institution supports the staff mobility as part of its modernisation and internationalisation strategy and will recognise it as a component in any evaluation or assessment of the staff member.

The staff member will share his/her experience, in particular its impact on his/her professional development and on the sending higher education institution, as a source of inspiration to others.

The staff member and the beneficiary institution commit to the requirements set out in the grant agreement signed between them.

The staff member and the receiving institution/enterprise will communicate to the sending institution any problems or changes regarding the proposed mobility programme or mobility period.

---

7 Circulating papers with original signatures is not compulsory. Scanned copies of signatures or electronic signatures may be accepted, depending on the national legislation of the country of the sending institution (in the case of mobility with Partner Countries: the national legislation of the Programme Country). Certificates of attendance can be provided electronically or through any other means accessible to the staff member and the sending institution.
